Recognizing that Water is Life, the Coconino Plateau Watershed Partnership acknowledges the ancestral homelands of this area's Indigenous nations and their inhabitants as the original stewards of this precious resource. These lands, still inhabited by Native descendants, border mountains sacred to Indigenous peoples. We honor them, their legacies, their traditions, and their continued contributions. We celebrate their past, present, and future generations who will forever know this place as home.

Our Mission:
The Coconino Plateau Water Advisory Council and Coconino Plateau Watershed Partnership were formed to facilitate and implement sound water resource management and conservation strategies on the Coconino Plateau. The Partnership coordinates and cooperates in the identification, prioritization and implementation of comprehensive policies, projects, and programs to assist in meeting the water needs of the Coconino Plateau.
